Dear Hunt Community and HVFD supporters,

Update: Hunt VFD Beast Blast 2020

The HVFD has made the decision with respect to our county to be socially responsible at this time and set our annual Beast Blast fundraiser as a donation only year. We will miss the opportunity to congregate and celebrate with you this year but will plan on future dates for us to get together.

Please take time to read the information in the mail out. You will see diligence in the planning of our department and how you, as a supporting community, can help us reach our goals, which in return, support you directly.

You may use the mail-in document of the mailer or you can visit our website at www.huntvfd.org to submit a donation to our organization.

We at HVFD will continue business as usual and will respond to emergency calls as we receive them.

Thank you so much for your continued support of the Hunt Volunteer Fire Department, and we look to the future for opportunities to celebrate with you in the beautiful Hill Country in which we live and work.

Yours in service,

Lee Pool,

Hunt VFD Fire Chief
